## HISTORY OF THE BOOTLE GENERAL HOSPITAL

**1846.** A Dispensary was established in Bootle to administer to the needs of a population of 3,000, and for 20 years was found to be adequate without Hospital accommodation.

**1866.** During this intervening period the population increased to 11,000, and in this year it became necessary to open a Hospital within the Borough, and for this purpose a private house was taken in Berry Street and provided with accommodation for 5 accident cases. As the importance and population of the Borough increased, it was resolved to build a Hospital in Derby Road on land given for the purpose by Edward Henry 15th Earl of Derby.

**1872.** Through the efforts of William Geves, T. P. Danson and other local gentlemen, sufficient money was raised, and the Hospital was completed at a cost of £4,200 and formally opened on 10th April, by Edward Henry 15th Earl of Derby.

**1887.** On 27th August a new wing was opened by Mr. T. H. Ismay, and in 1888 the old wing was renovated. The cost of building and renovating was £11,800, the money being raised by public subscription in commemoration of the Diamond Jubilee of Queen Victoria.

**1889.** Mr. W. A. Matheson presented a horse ambulance, and this gift placed the Bootle General Hospital in the unique position of being the first voluntary hospital in the country to provide ambulance service.

**1914.** X-Ray apparatus was installed and the cost defrayed by Mr. Fred Firth, J.P.

**1915.** As a public memorial to the late King Edward, a Nurses' Home was erected at a cost of £6,000, which was raised by public subscription, and the necessary funds for the furnishing of the home were raised by the Bootle May Day Demonstration Committee. Owing to the war there was no official opening.

**1920.** A large bequest was left to the Hospital by the late Robert Cox. A grant of £1,450 was made by the Committee of the National Relief Fund, and in 1922 the Voluntary Hospitals Commission allocated £1,550 to assist in reducing the Hospital's deficit.

**1927.** The X-Ray Department was re-equipped, and the money for this purpose was raised by public subscription.

**1928.** The covered porch at the front of the Hospital was erected, and the cost defrayed out of money collected by the Bootle Hospital Service Guild.

**1930.** The title of the Hospital was changed from "The Bootle Borough Hospital" to "The Bootle General Hospital." The Foundation Stone of a new Out-Patients' Department was laid by Edward George Villiers, 17th Earl of Derby.

**1931.** An additional storey was added to the Nurses' Home to provide necessary extra accommodation for the Staff.

**1932.** The new Out-Patients' Department was formally opened on 4th March by Colonel C. de W. Crookshank, M.P. Cost £25,000.

**1933.** The X-Ray Department was modernised and transferred to a spacious suite of rooms in the old Out-Patients' Department.

**1934.** The Private Ward accommodation was increased.

**1935.** The Laboratory accommodation was increased and modernised

**1938.** A comprehensive programme of modernisation and additions to the South Section of the Hospital was completed at a cost of £10,000. The main alterations comprised the enlargement of the theatre suite and King George V. Ward Unit; provision of Maids' Dining and Lounge Room; modernization of Sanitary Annexes, Ward and Main Kitchens; providing a Viewing Room in the Mortuary, and covering the main hall and corridors with rubber flooring.

**1939.** In-patient Departments transferred to Linacre Isolation Hospital on outbreak of war.

Representing the Medical Board—  
 Mr. M. J. Bennett Jones, F.R.C.S., Dr. R. Fairhurst.

3. "That Mr. Cecil R. Taylor be re-elected Hon. Treasurer, and Mr. Percy B. White be re-elected Hon. Secretary of the Hospital for the ensuing year."
4. "That Messrs. Lonsdale & Marsh, of 26, Exchange Street East, Liverpool, Chartered Accountants, be elected Auditors to the Hospital for the ensuing year."
5. "That the best thanks of this meeting be accorded to the Honorary Solicitors, Messrs. Quinn, Dixon & Co., for their valuable services during the past year."
6. "That the best thanks of this meeting be accorded to the Committee and Officials of the Hospital, the Hon. Medical Staff, the Ladies' Committee, Secretary-Superintendent, Matron and Nursing Staff for their valuable services during the year."
7. "That a hearty vote of thanks be accorded to the Bootle May Day Demonstration Committee, the Bootle Alexandra Rose Day Committee, the Bootle General Hospital Service Guild, the International Bowling Committee, the Chief Officer and members of the Bootle Fire Brigade, the Chief Constable and members of the Bootle Police Force, the Clergy of all Church and Chapels in the vicinity, for their loyal and continued support, together with the numerous other sympathisers whose co-operation has enabled the Institution to carry on its beneficent work during the past year."
8. "That the thanks of this meeting be given to His Worship the Mayor for presiding."

Apologies for unavoidable absence were received from—

Mr. J. Stanley Webster, J.P., Mr. A. Ascroft, Mrs. M. C. Barnes, M.B.E., J.P., Mr. J. E. Bell, Councillor D. Crighton, Major G. Fraser, Mr. A. Hankey, J.P., Mrs. Noble, Mr. F. W. Poulson, Lt.-Col. G. Rollo, Mr. C. Rd. Taylor, Mr. Aynsley M. Webster.

## **BOOTLE GENERAL HOSPITAL.**

### **93rd ANNUAL REPORT.**

The General Committee has the pleasure to present the ninety-third Annual Report of the Hospital and the Statement of Accounts for the eight months ended 31st August, 1939.

#### **WARTIME ARRANGEMENTS.**

The event of paramount importance was the outbreak of war, entailing a great change in the hospital's activities.

The whole hospital services of the country had been co-ordinated on a regional basis under the guidance of the Ministry of Health, and from the beginning of the year your hospital took its part in the emergency scheme for the Merseyside area.

The Ministry of Health intimated that it would not be wise, in the event of war, to continue to treat in-patients at Derby Road, owing to the proximity to the docks. It was arranged with the Corporation, therefore, that the fever patients at Linacre Isolation Hospital should be transferred to Liverpool, and that your Committee should take over Linacre Hospital for in-patient work, only retaining at Derby Road Casualty, X-Ray, Laboratory, and Out-patient Services.

These plans were put into operation on 1st September, when the news of the invasion of Poland was received. All patients possible were sent home or to other hospitals in a safer area, and the remaining 30 taken to Linacre. During the week-end the whole of the ward equipment and furniture was also removed. At later stages the operating theatre and laundry were transferred. Owing to lack of accommodation for the nurses at Linacre, Roberts Council School nearby was converted for their use as a home.

The organisation and work entailed cannot easily be imagined, and your Committee congratulate the staff on the successful way the task was accomplished.

By a further agreement with the Corporation, the basement of the out-patient department is used as one of the first aid posts of the borough.

Under the emergency hospital scheme a large number of auxiliary nurses from Bootle, Crosby, Formby, and Ormskirk have been trained in the wards.

#### **ALTERATIONS AND IMPROVEMENTS.**

It is unfortunate that we are temporarily deprived of the benefits resulting from the extensive scheme of modernisation completed in February.

Subscribers to this effort were invited to visit the hospital on 20th and 21st April, and it was gratifying that so many came. About 500 visitors were conducted round the hospital in small groups by committee members. The general opinion expressed was that the money was well spent and that the improvements have greatly enhanced the work of the hospital.

The total cost was:—

Building	...	...	...	...	...	£8,520	6	5
Equipment	...	...	...	...	...	1,329	9	5
Appeal	...	...	...	...	...	196	13	7
Total						£10,046	9	5

£7,359 13s. 7d. was received towards this cost. Any gifts, large or small, to liquidate this debt of £2,686 15s. 10d. will be greatly appreciated. It is interesting to note that the cost of the appeal was as low at  $2\frac{1}{2}$  per cent. of the receipts.

#### COMMITTEE.

By the death of Dr. B. Sumner, the hospital sustained a great loss. It is doubtful whether any man had such a remarkable record and affection for one hospital, for he had been with us for 50 years, during which time he had held the following positions:—

Hon. Physician	...	...	...	1889—1908.
Hon. Gynaecologist	...	...	...	1908—1923.
Hon. Consulting Gynaecologist	...	...	...	1923—1939.
Member of General Committee	...	...	...	1908—1939.
Vice-Chairman	...	...	...	1927—1939.
Vice-President	...	...	...	1913—1939.

Dr. Sumner was beloved by all, and his presence will be greatly missed.

Mr. S. Maddox's death also robbed the Committee of a staunch member. Unassuming and genial, he worked quietly in many ways to further the interests of the hospital for the eleven years he was a committee member.

Mr. J. A. Appleton found it necessary to resign.

#### HONORARY MEDICAL STAFF.

Being Commissioned Officers in the R.A.M.C. (T.), Dr. R. W. Gemmell and Dr. Donald Owen were mobilised, and so the hospital is deprived of their services at present. It is hoped that they will be able to continue their appointments at the end of the war.

Once again your Committee express their warmest thanks to the Honorary Medical Staff for their inestimable services and for maintaining the high standard of work of the Hospital.

**TRUSTEES.**

Mr. W. S. Walker, owing to advancing age, resigned from his trusteeship. Thanks are extended to him for his help over many years. It is a pleasure to report that Mr. W. Ross has accepted the vacancy.

**EMERGENCY BED BUREAU.**

It was decided to participate in this scheme to facilitate the admission of emergency cases to Liverpool and District Hospitals. So often one particular hospital was unable to admit an emergency case owing to its beds being fully occupied.

The bureau is in touch with all Voluntary Hospitals in the area, and can thus arrange for such a case to be sent immediately to the hospital with accommodation available.

**RATING BILL.**

The British Hospitals Association endeavoured to promote a bill in the Houses of Parliament to exempt hospitals from paying rates. Various religious and educational bodies are so privileged, but not Voluntary Hospitals. The Government could not find time to debate the bill, but it is hoped to renew efforts in this direction at a later date.

**AID TO HEARING CLINIC.**

At the request of Mr. Tumarkin, it was decided to extend the Ear, Nose and Throat Clinic to assist suitable cases of deafness. This is a type of disability open to financial exploitation, and it is felt that this Clinic will help some people to avoid this pitfall.

**GIFT OF LORD NUFFIELD.**

The gift of £1,250,000 by Lord Nuffield to establish a Central Fund for the Voluntary Hospitals in the provinces to further the regionalisation scheme advocated by the Sankey Commission, is of first importance. Your Committee, in conjunction with other hospitals, expresses its thanks and gratitude for such a magnificent gift, and one made so unobtrusively. It is to be hoped that it will bear fruit after the war.

**FINANCE.**

It was decided to close the accounts on 31st August, and thus only include eight months. The Government is contributing towards the cost of maintenance of additional beds required under its emergency hospital scheme, and, as this will entail certain adjustments of costs, your Committee felt it wise to keep peacetime and wartime finances separated. It must be emphasised that Government aid will not by any means meet the whole of the increased wartime commitments.

Particular attention is directed to the fact that, apart from increased prices, it is more expensive to administer a hospital on three sites—Derby Road, Linacre Lane, and Roberts School—

than on one only. This is aggravated by the fact that the wards at Linacre are in scattered pavilions instead of under one roof.

It is estimated that some £7,000 additional expenditure per annum will be involved, while it is anticipated that, owing to heavy taxation, income is bound to decrease.

This constitutes a most serious problem, and it is certain that free capital of the Hospital will have to be utilised to supplement revenue.

Your Committee, therefore, appeals most earnestly to all friends at least to maintain their support, and, if possible, increase it in spite of other commitments. If every subscriber would endeavour to introduce a new supporter and take advantage of a scheme whereby the Hospital can reclaim Income Tax paid by the donor on his subscription, our position would be made easier.

It should be remembered that the Bootle General Hospital must continue to give its service to the neighbourhood, and in the event of air attack, that service will be more vital than ever. The hospital is designated as one of the Inner or First Line Hospitals for such an emergency.

#### **INCOME TAX ON ANNUAL SUBSCRIPTIONS.**

The attention of Annual Subscribers is drawn to the fact that under certain conditions, the hospital can recover from the Government, Income Tax on annual subscriptions paid by the donor out of taxed income. Thus without any additional cost to the subscriber, the amount the hospital receives can be substantially increased. For example, with Income Tax at 7/6 in the £, a subscription of £1 0s. 0d. becomes £1 12s. 0d., and so on in proportion.

The procedure involved is simple and is described on page 4.

#### **INCOME AND EXPENDITURE.**

Owing to the difference in the financial periods, comparisons between 1938 and 1939 are not included in this report.

#### **IN-PATIENTS.**

	1939. (8 months)	1938. (12 months)
Number of In-patients treated ...	1,010	1,674
Daily average number of In-patients	80.7	73.2
Average stay of each In-patient ...	19.4 days.	15.9 days.
Average cost of each In-patient ...	£9 14 1	£8 2 9
Average cost of each In-patient per week ... ..	£3 10 0	£3 11 9
Cost per occupied bed per annum ..	£182 4 3	£186 2 1

It will be seen that the Hospital has been busier in 1939 than in the previous year, when it will be remembered a considerable number of beds were not in use on account of the alterations.

The higher cost per in-patient is due to each patient being in hospital an additional  $3\frac{1}{2}$  days on the average.

#### OUT-PATIENTS.

	1939. (8 months)	1938. (12 months)
Number of New Out-patients ...	17,925	25,026
Number of Attendances ...	65,792	90,477
Cost per Out-patient ...	$3/8\frac{1}{2}$	$4/0\frac{1}{2}$
Cost per Out-patient Attendance ..	1/0	$1/1\frac{1}{2}$

The volume of out-patient work has increased, particularly in the Casualty Department, but in spite of this, costs are less.

NOTE.—*The support of various organisations is acknowledged in the succeeding paragraphs, but where their donations were received after 31st August, they will not be found in this year's accounts, but will be included in those for next year.*

#### BOOTLE MAY DAY DEMONSTRATION.

Your Committee is very appreciative of the efforts of the members of this organisation and for its continued substantial assistance. This year £400 was allocated to the hospital, and our sincere thanks are given to the Chairman, Mr. T. G. Anderson, to Mr. H. K. Baines, the Hon. Treasurer, and all members, for this donation.

#### ALEXANDRA ROSE DAY.

Your Committee is grateful to the members and ladies of Alexandra Rose Day for the donation of £283. Although this is less than the previous year, it is pleasing to note that street collections actually increased. Thanks are due for maintaining such results in difficult times.

#### HOSPITAL BALL.

Owing to the emergency restrictions, it has not been possible to hold the Annual Hospital Ball. This loss of £200 income will be keenly felt.

#### INTERNATIONAL BOWLING LEAGUE.

This organisation is to be congratulated on completing the endowment of a Cot by raising £500. This year £80 10s. 0d. was given to the Hospital, £60 of which was earmarked for the Building Fund.

To all those who have worked to achieve this result we offer our best thanks. When we return to our Derby Road premises, a suitable tablet will be erected over a Cot.

#### LIVERPOOL GUILD OF UNDERGRADUATES.

We are grateful and thank the Liverpool Undergraduates for providing further equipment of a necessary nature amounting to £160. Further reference is made to this gift in the Medical Board Report.

### SERVICE GUILD.

Sympathy is expressed to members of the Service Guild in the death of their Chairman, Mr. J. Dooley. He always had the cause of the hospital at heart, and his many kindnesses will be missed.

### SILVER PAPER.

Once again grateful thanks are due to Mrs. Charles Barnes, M.B.E., J.P., for organising the Silver Paper Collection, and for giving to the hospital fees she received for services rendered to the Unemployment Assistance Board and Evacuee Board, amounting to £126 9s. 0d.

A record weight of Silver Paper was received of nearly  $1\frac{3}{4}$  tons. This realised £25 14s. 8d. The price of the metal has increased considerably, and this should encourage collectors to still further efforts.

The help of the "Bootle Times" is particularly appreciated in this respect.

### ACKNOWLEDGMENTS.

We wish to record our grateful thanks and high appreciation to the following:—

To the Hon. Treasurer, Mr. Cecil R. Taylor; Hon. Secretary, Mr. P. B. White; and Mr. Charles Barnes, O.B.E., J.P., Chairman of the House Committee.

To the Ladies' Committee for their valuable help in providing Surgical Appliances, Convalescent Home treatment and Christmas Gifts for the patients, together with the welcome help of their Linen League in supplying a part of these requirements of the hospital.

To the ex-Mayor and Mayoress (Alderman and Mrs. N. Cullen) for their active interest.

To Mrs. Miller Jones, Mrs. McQuarrie and Mrs. Robinson for their help in organising the Library, an amenity which is so greatly appreciated by the patients.

The Matron, whose "Pound Day" realised £52 15s. 7d. and 1,000 lbs of commodities.

To the "Bootle Times" for their valued help and co-operation in giving publicity to the hospital's activities.

To the clergy, ministers and congregations of places of worship for their personal services, collections and gifts of harvest festival produce, and the many generous friends and supporters whose names appear in the subscription or donation lists, or who have contributed flowers, fruit, eggs, books, periodicals, toys and other gifts detailed elsewhere.

J. STANLEY WEBSTER,

*Chairman.*

## REPORT OF THE MEDICAL BOARD.

---

The happenings on the continent of Europe in the early spring made the possibility of war with Germany more apparent, and during the spring and summer much time and thought was given to preparing the hospital to take its place in the national effort.

With representatives of the General Committee, the Chairman took part in many meetings with representatives of Bootle Health Committee and the Group and Hospital Officers of the Ministry of Health.

At 11 a.m. on Sunday, September 3rd, the nation went to war with Germany.

During the two previous days the hospital had been evacuated, the less serious cases being taken to their homes, the more serious to Linacre Isolation Hospital. Authority had decided that the proximity of the hospital to the docks made it imperative that it should carry on its work at Linacre. The Medical Board expresses appreciation of the work of the Matron and Secretary-Superintendent and their staffs, and of the Resident Medical Officers, in the movement of patients and equipment to Linacre; and moreover commends the spirit in which all carry on their duties in the adverse surroundings—aggravated by the black-out and winter—of a hospital of many separated buildings and an improvised operating theatre. Separated pavilions are excellent for isolation, but unsuitable for the work of a general hospital. In addition to the care of civilian patients, many service patients are treated at Linacre. Clinics and out-patients are carried on at Derby Road, and also walking casualties attended to during the daytime. Ambulance cases and night casualties are seen at Linacre. The X-Ray Department at Derby Road continues to carry on its work; it is the only plant available, and patients have to be brought from Linacre for X-Ray examinations.

For the present the hospital is deprived of the services of its radiologist and one of its physicians, because R. W. Gemmell and Donald Owen, holding commissions R.A.M.C. (T.), were mobilised on the outbreak of war.

The hospital has to mourn the death of Dr. Benjamin Sumner, on November 3rd, in his 76th year.

In 1889 he was appointed Honorary Physician. In the early years of the century, when gynaecology was becoming a special subject, he spent much time at the Hospital for Women, Shaw Street, and in 1908, he was appointed Honorary Gynaecologist to our hospital and resigned the post of Honorary Physician.

On retiring from the active staff in 1923 he was elected Consulting Gynaecologist. Up to the time of his death Dr. Sumner took an active part in the administration of the hospital; Vice-Chairman and a Vice-President, he was a most regular attender at Committees. In September he placed his professional services at the disposal of the Medical Board for an emergency.

Liverpool University Undergraduates again gave a gift out of their "Collection for the Hospitals," which was received with gratitude. This gift of £160 was expended in purchasing:—

A Guy's Pattern Oxygen Tent.  
Oxygen Cylinder flow-meters.  
Shadowless Lamp.  
Cystoscope.  
Endo-rhinoscope.  
Intratracheal Anaesthetic Apparatus.

We have to acknowledge the work of the Chief Officer and members of the Fire Brigade, and to thank the members of the various Hospital Committees and staff for their cordial co-operation.

R. G. WILLS,  
*Chairman.*

## LADIES' COMMITTEE REPORT.

---

We are glad to report another successful year, and that the Linen League is progressing. We have a number of new members, and have been able to handover to Matron £25 0s. 0d. for linen. Also two new Wireless Sets were provided for the use of patients in the wards.

The Annual Card Party was held in February, and realised £22 18s. 4d.

Two "At Home" days were held at the Hospital on April 20th and 21st, to which call members of the Linen League were invited. The visitors were shown over the hospital, and were very interested in all the alterations and modern improvements which had been made.

We were unable to hold our Annual Christmas Tree and Concert this year, owing to the hospital being evacuated to Linacre, but we had an Afternoon Party, when the Mayoress kindly presented Christmas gifts to the patients, and Matron arranged for the visitors to have afternoon tea.

The result of the Christmas Appeal and Subscriptions this year was very satisfactory, the sum realised being £67 6s. 6d.

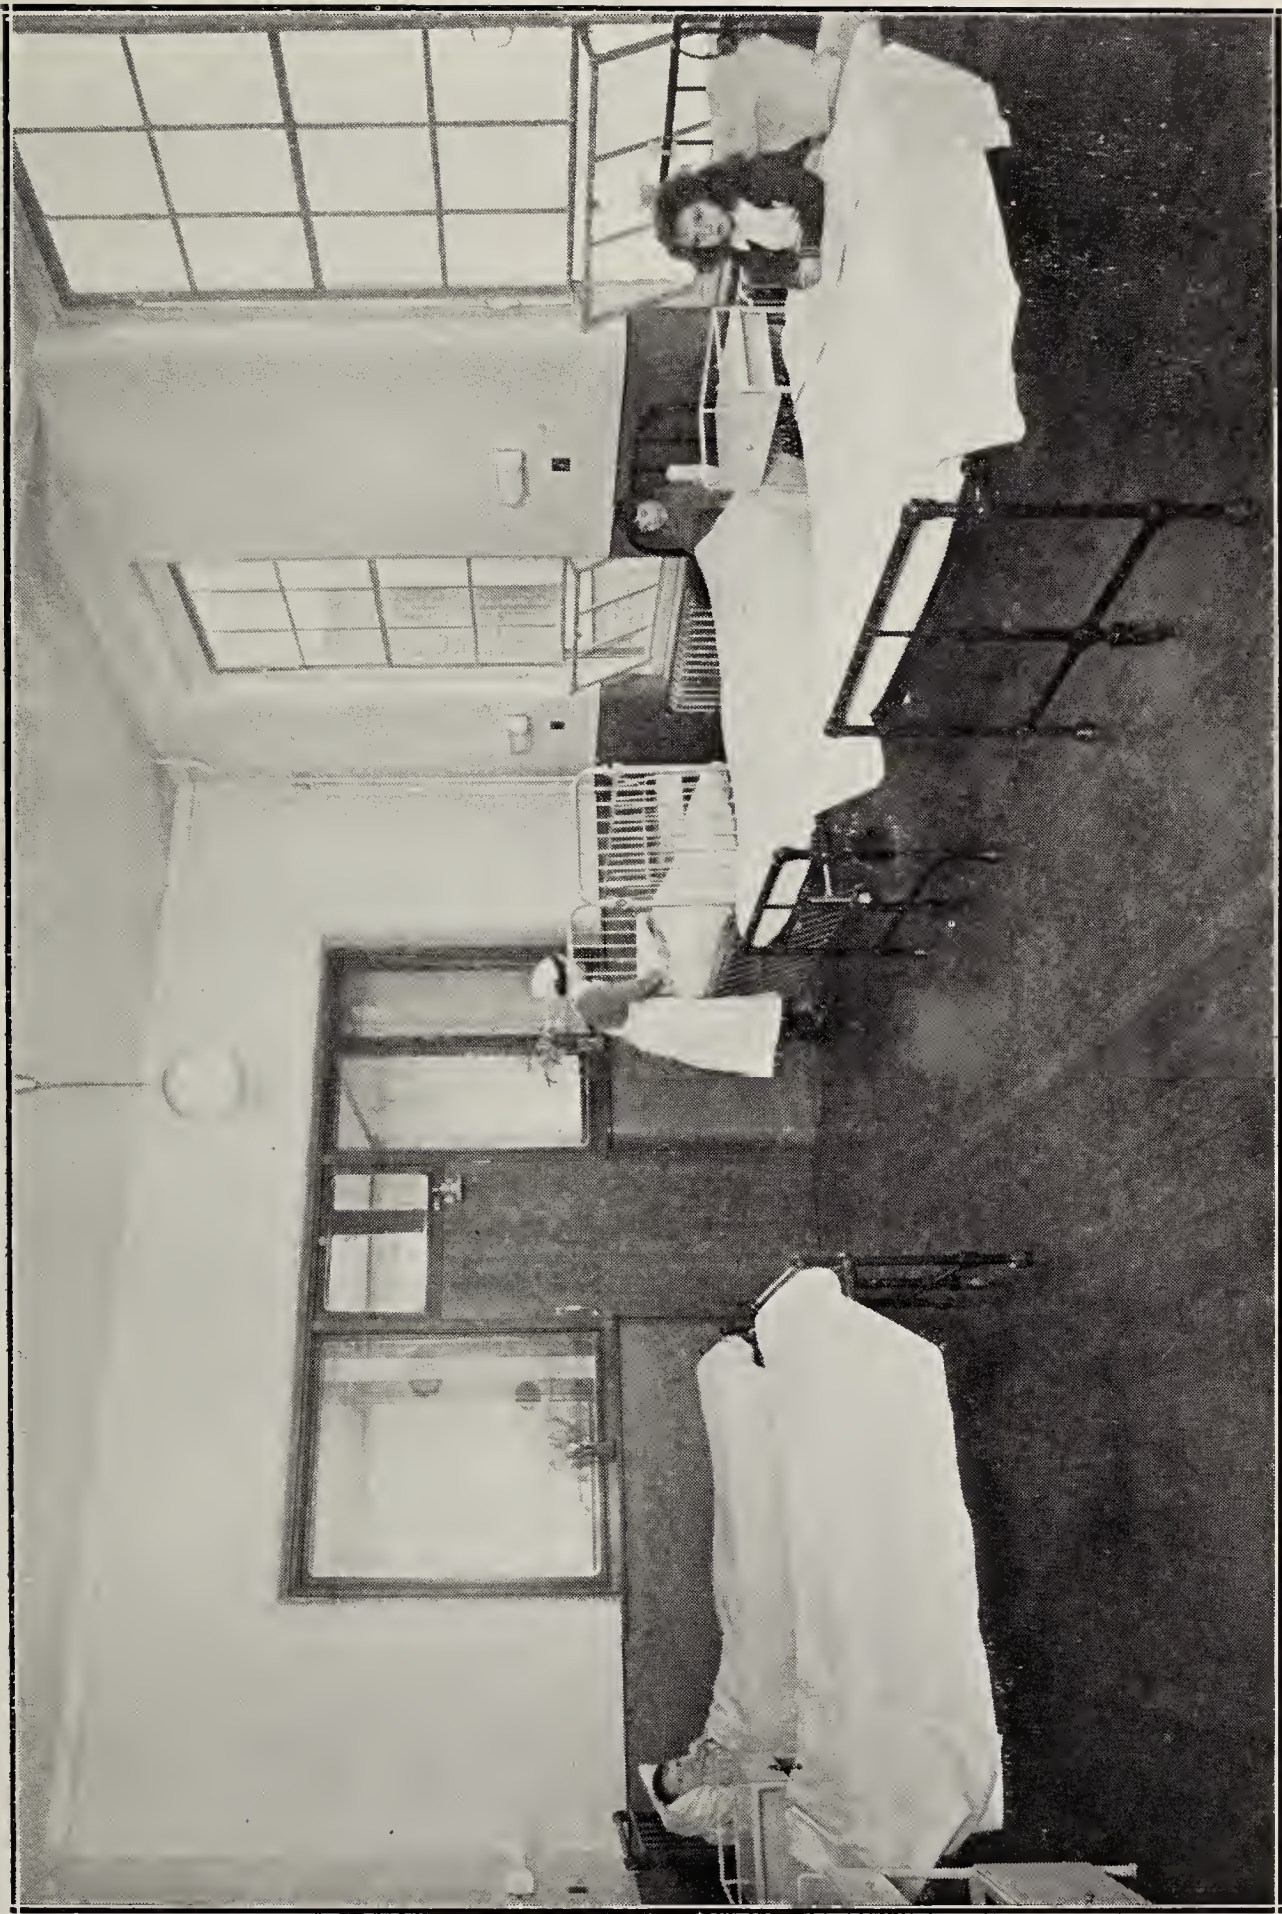

A Card Afternoon for the Linen League was held on October 16th, which brought in the sum of £13 5s. 0d. We thank Matron for her excellent catering arrangements.

We are glad to welcome Mrs. Bennett-Jones as a member of the Committee.

We again thank Mr. Hort for his kindness in acting as Honorary Auditor.

K. WILSON,  
*Hon. Secretary.*

## ALMONER'S REPORT.

JANUARY—AUGUST, 1939.

It is, of course, difficult to make any comparisons between this year and last as this report covers only a period of eight months. During that time 1,010 in-patients have been discharged, and these may be analysed as follows:—

632	contributors to the Merseyside Hospitals Council.
33	contributors to other Funds.
36	paid for by Public Authorities.
21	paid for by their employers.
3	paid for by the Waifs and Strays Society.
24	making claims under the Road Traffic Act.
1	making a claim under Common Law.
21	Staff.
2	members of the Fighting Services.
94	made weekly contributions.
20	gave donations.
27	Private Ward patients.
96	unable to make contributions.

---

1,010

---

The 94 patients who made weekly contributions did so at the following rates:—

16	covered the full cost of £3 11s. 0d. per week.
5	contributed £2 per week or over.
10	„ £1 per week or over.
9	„ 10/- per week or over.
54	„ under 10/- per week.

### AFTER CARE.

There has been an encouraging increase in the number of patients recommended for convalescence during this period compared with the corresponding eight months in 1938. There have been 58 recommendations. Unfortunately a number of the recommendations made during August had to be cancelled owing to the closing of most of the convalescent homes immediately before and after the outbreak of war. Whenever possible contact was maintained with the patient, and when the homes reopened, if convalescence was still considered necessary, arrangements were made for the patient to go away. Some children who were unable to go to a convalescent home were evacuated and

were able to enjoy part, at least, of the benefits of convalescence in an unexpected way. 'The Ladies' Committee have helped very greatly by taking patients to convalescent homes by car.

There have been 91 recommendations for surgical appliances and in a large number of cases patients have themselves either covered the full cost when only small amounts were involved, or have paid part of the cost. Help has always been forthcoming for those who were unable to pay anything. Sometimes, too, in these cases it was necessary to obtain boots, etc., to which the actual appliance could be affixed.

Recommendations for extra nourishment show a substantial increase on those made between January and August 1938, when only four recommendations were made. There have been 21 recommendations this year. These have, of course, been made chiefly for in-patients on their discharge from hospital, but some out-patients have also been helped. The grants have been in money or in kind and have been for periods varying from one to three months.

Arrangements have also been made for the District Nurse to visit patients unable to attend hospital. In other cases, whenever it has been necessary to maintain contact with patients, even though they may need no medical attention, the necessary home visiting has been very kindly undertaken by the Personal Service Society for adults and the Child Welfare Association for children. The Personal Service Society, through the Poor Man's Lawyer, has also helped many patients who were in legal difficulties, chiefly those arising out of motor accidents or accidents occurring at work. Other patients in need of legal advice have been referred to their Approved Societies, Trade Unions, etc.

It has also sometimes been possible to help various other patients who do not come under any special heading. There was Mrs. A., a patient in the Women's Ward, whose husband, being unemployed, said he could look after the five children. But Mr. A. got work and although relations were willing to take the two elder children no one could take the three younger, one of whom was less than a year old. The mother wanted to go home, but fortunately the Liverpool Society for the Prevention of Cruelty to Children were able to take the three younger children, and Mr. A. was able to go to work and Mrs. A. to stay in hospital.

There was the sailor returned home from the United States of America as a disabled seaman after an accident. He needed his fare home when fit for discharge, and also did not know where his discharge book was. The Mersey Mission to Seamen solved the question of the fare by a railway voucher, and after enquiries had been made the patient was told where to apply for his discharge book.

This after care work would not have been possible but for the very kind assistance and co-operation of the following bodies:—

Personal Service Society	...	Surgical appliances, legal advice, fares, home visiting.
Child Welfare Association	...	Convalescence, extra nourishment, surgical appliances, home visiting.
Merseyside Hospitals Council	...	Convalescence, extra nourishment, surgical appliances.
Public Assistance Committee	...	Boots, surgical appliances, extra nourishment.
Unemployment Assistance Board		Extra nourishment.
Medical Officer of Health	...	Convalescence.
Approved Societies	... ..	Convalescence, surgical appliances.
Employers	... ..	Surgical appliances.
Royal Naval Benevolent Trust	...	Surgical appliances, convalescence.
Soldiers', Sailors' and Airmen's Family Association	... ..	Convalescence, clothing grant
Welfare Centres (Bootle and Litherland)	... ..	Extra nourishment.
Mersey Mission to Seamen	...	Fares.
Liverpool Society for the Prevention of Cruelty to Children	...	Temporary home.
Ladies' Committee	... ..	Fares, convalescence, surgical appliances, transport.

O. M. EVANS,

Almoner.

### AUDITORS' REPORT.

We report that we have examined the Accounts of the Bootle General Hospital for the period ended 31st August, 1939, and have obtained all the information and explanations we have required. In our opinion, the above Balance Sheet is properly drawn up so as to exhibit a true and correct view of the state of the affairs of the Hospital according to the best of our information and the explanations given to us, and as shown by the Books.
